Arkansas Dressage Society is excited to welcome
MARY MAHLER

Mary is a USDF Certified Instructor Training-4th Level, USDF L grad with distinction, USEF R candidate, and a WDA official. She has over 25 years of professional experience working with horses and riders of all breeds and disciplines. She rode saddle seat in her early youth and then went on to compete in hunter/jumper and eventing divisions. In her early 20s, she discovered her passion for dressage and trained her first dressage horse, an Appaloosa, up the levels to Prix St. Georges to earn her USDF Bronze and Silver Medals. Her next mount, an Arabian, was also an unlikely dressage candidate. He started his dressage career with Mary at the age of 10 and was the IAHA Regional Champion at Prix St. Georges by the age of 14. Since those early days, Mary has trained a large variety of horses to numerous open and breed specific titles. Mary is very proud to have earned her USDF medals on horses she's started and trained up the levels herself.
